

MOBILITY DISCUSSION BOARD

CURRENT TOPIC: LAPTOP HARDWARE

The Mobility Discussion Board is currently hosting questions on laptop hardware. Examples of **Laptop Hardware** topic-related questions might include:

- **How to upload photos on the new laptops?**
- **Laptop docking station monitors sometimes “go to sleep” and don’t come back on?**
- **Tips for correctly seating the laptop in the dock.**
- **How to enable/disable the laptop mouse tracking pad?**

The discussion can be as engaging and informative as the staff questions and comments. The more staff who participate, the better the discussion! New topics will be announced on this website.
